“It is easier to build strong children than to repair broken adults”.

Dear Parents,

During any situation of crisis, the expectations to behave the wisest are from the educationists. Therefore, in this pandemic situation, we are happy to inform you that a session has been organized with a trained counsellor to help the parents with some solutions to cope up with the contemporary stressful ambience all around and protect the children also from its adverse effects. For the convenience of the parents, the session will be held on Sunday i.e. November 29, 2020. The timing for the same is 10:00 a.m. onwards.

It's a humble request to you to attend the respective session where you may also ask some parenting problems arising specifically during this pandemic. We have never faced this situation and therefore, the expert help is always going to be beneficial.

Looking forward to your presence in the session on time.

Regards

Principal
